

August

My Beautiful Hummingbird Friend

Every bird has to leave the nest,
Even a hummingbird.

This beautiful, unique bird is the bird I'll miss the most.
I will miss the way its feathers glistened in the sun.
The way it would ride the air current during the summer sun.
I will miss its nectarine beauty to the core of my heart,
In my life, this wonderful bird will always have a part.

I realize you cannot tame a wild bird,
But play a life in its own turn.
Oh how I will miss this magnificent creature
Because freedom is its teacher.

Fly south my summer friend:
Please do not forget me I the end,
My beautiful hummingbird friend.

Administration

August is here!

In July we had a great time meeting and showing our appreciation to our First responders. We were able to raise a good amount for the Walk to end Alzheimer's through the dunk tank as well! We will be doing another fundraiser soon to continue working towards our \$1,000 goal. The Walk to End Alzheimer's is September 21, 2024 at Target Field. If you would like to join our team or donate please go to <https://alz.org/walk> and register with Round Lake of Arden Hills.

As always if you have any questions, concerns, or feedback please contact me directly.

All the best,
Katie, Executive Director
