Molly has been relocated to another community as a full-time housekeeper. She will no longer be at Round Lake. A huge thank you to Molly for all you have done for us.

Amanda and Karisa will continue to provide Housekeeping Services for our community.

If you are interested in starting services, please reach out to Pat for more information.

Dear Round Lake Senior Living Residents and Families,

Effective November 1st, 2024: we will begin to charge for all pendant pushes that are not emergency related. Per the Resident Handbook: Page 8, Paragraph 3, under "Emergency Procedures:"

"Emergency pull cords and pendants are to be used for emergency situations only. Tenants with Emergency Response Pendants can activate them by pressing the button on the pendant. These are also for emergency situations only. Residents who use the pull cords or the pendants for non-emergency purposes will be charged a fee each time."

Pendant usage that results in the need of a HHA will be charged a \$15 fee and if the pendant press results in the need of an LPN/RN the tenant will be charged a \$25 fee.

If you have any questions or concerns, please see Paula Hanson, Executive Director.

Thank you,
Round Lake Senior Living Management Team
