Administration

Residents and Families,

I feel Jack Frost nipping at my nose when I come to work each day. This is time to make sure that when we are outside we dress appropriately and watch out for slippery snow and ice.

A reminder that you should have received a Customer Experience Survey that is due by December 5th. I hope you will all take the time to fill this out so that we can continue and improve on making your home safe, comfortable and enjoyable.

I'm so excited to be sharing this Holiday Season with all of you! As always if you have any questions, concerns or feedback, please contact me directly.

Best regards,

Paula, Executive Director

Marketing

Thank you Lifespark for the beautiful outdoor Christmas lights.

Gathering spaces in our community are a first come to reserve basis. Please check with the front desk for availability over the Holiday season!

We are emailing community updates. Please be sure we have your family's email address.

An updated resident directory will be available the first week of December.

Maintenance

A couple friendly reminders as we enter the holiday season, please refrain from hanging hooks from above apartment doors. These are fire doors and regulated by the fire marshall. Instead adhere removable hooks and decor to door surfaces. Also, we would encourage you to opt for LED lights and artificial greenery to reduce fire hazards. Thank you for your cooperation in maintaining a safe community!

My Round Lake Family,

It is bittersweet to announce that I will be leaving my position effective 12/6/24. Most of you know that I have a long commute, and I feel like I am missing out on important moments in my daughter's first years of life. Please know that Rosie and I will still be around to see and visit you all. Thank you for allowing me into your lives, it has been such an honor to care for you! -Aly Sprenger

Other updates –

Pendant pushes – Reminder that pendants are for urgent needs only. They are NOT call lights and should not be used as such. Any other needs should be called to the front desk at 612-699-4590 and they will be able to get your message to nursing.

Need to see a nurse? Let a HHA or the front desk know and they will get you set up with an appointment!

Nursing is working diligently to ensure that all residents that want to see Podiatry are able to. We will be scheduling several dates per month to accommodate the number of residents that would like to be seen. If you would like to see podiatry, please let a HHA or someone at the front desk know and nursing will get you the necessary consent forms. Additionally, please know that the podiatrist will come and see you in your apartment. We will be sure to let you know the date that they are coming and verify that you are on their list to be seen.

Henry, our new DHS, comes to us with extensive background in this field. He is a former Marine and comes with years of regional experience. He will be starting in December.
