Maintenance

Hello everyone! If you haven't met me yet, my name is Andrew Kleiber, and I am the new Maintenance Director here at Round Lake Senior Living. I'm happy to have joined such a wonderful group of staff and residents and am excited to work with you all.

Here are a couple of updates that I'd like to share with you all. First, if you ever have any maintenance questions or requests, please let the front desk know and they will put in a Maintenance Request. That way, I can assist you in a timely manner. Secondly, to those who have a parking space in the underground parking lot, please try and clear out all your items from your parking space. I would hate to have your belongings get damaged throughout the winter months by possible rodents, water, or dust. We have storage space available, so please ask Ann if you'd like to rent one!

Again, I'm excited to work with you all and am looking forward to a great 2025!
