

LEGACY COURT

February 2025 Newsletter

Updates

What Are One to Ones?

One to ones are when Community Life staff visit residents to individual time together. This can involve activities or just a moment for a resident to have someone to talk to.

Legacy Court and Assisted Living activities

Legacy Court residents are invited to many activities on the assisted living calendar. These include Bingo, Loons Competition, Happy Hours, Special events, and more.

Assisted Calendar and Legacy Court

There are two calendars created every month, one for Legacy Court and one for Assisted Living. Please Do Not give your family member and assisted living calendar. This becomes confusing and distressing to residents. The monthly calendar is displayed in Legacy court on the white board in the dining area. If you or your family member would like a copy, front desk can provide one or can be found on Round Lake's website.

Staffing Change

Starting in March **Jessey will no longer** be with Round Lake Senior Living. Jessey has accepted an offer to run the activities program in Landmark of Fridley. This is an opportunity for growth but she will miss everyone dearly.

Dementia Education

Remember. The Dementia resident is not giving you a hard time. The dementia resident is having a hard time.

ALZorg is a Great recourse for dementia education.

Special Events

- 2/4 9:30am Catholic Mass (H)
- 2/12 3:30pm Themed Bingo (MP)
- 2/14 3pm Holiday Happy Hour (P)

Please Refer to Round Lake's Newsletter for general Community information.

An important email was sent out to families regarding Legacy Court. Please keep an eye out for it. If you have any questions feel free to contact Paula or Henry
