Business Office

Please note that in your monthly statement for February there is additional paperwork. Included in the envelope you will see your Certificate of Rent Paid. You will use this for your Renters Credit. Please be aware that rent payments are due by the 5th of the month. A late fee will be assessed for payments received after this date. Please feel free to stop by the front desk Monday through Friday for any assistance needed in making payment. We appreciate your attention to this matter.

Community Life

"Grief Conversations"- 2nd & 4th Friday every month

Grief is a normal part of living, yet how we all grieve is our own unique journey. Memories, moments, and recent or sudden losses can trigger our grief. Changes in seasons and times of year that are rich with holidays and family traditions too. Using short stories, metaphors, and open ended prompts we together discuss all the ways grief impacts us as we comfort and encourage one another through grief. I look forward to meeting with you in conversation.

Chaplain Kent

Starting in March Jessey will no longer be with Round Lake Senior Living. Jessey has accepted an offer to run the activities program at Landmark of Fridley. This is an opportunity for growth but she will miss everyone dearly.

In alignment with Lifespark policies, outings will be cancelled if the temperature or windchill is zero or below.

Starting in February- Free Table has been moved to the 4th weekend of the month. Giving people a longer timeframe to give and take items.

If you use one of our community spaces, we ask that you please return furniture and reset TV inputs back to where they were originally. This helps us keep our community looking its best and ready for upcoming programming.

There is an extra wheelchair in the package room to use in case of emergencies. Please return.

Piano in dining room is for anyone to use and enjoy!

Maintenance

Hello everyone! There is not much to report from the Maintenance end of things here at Round Lake Senior Living. I just want to give a friendly reminder to make sure to close all windows in your room when you aren't around. This will save on energy costs and keep your room nice and warm during these colder months. You all have been great at putting in your work orders at the front desk so far, so please keep that up!

Also, on February 10th at 2:00pm in the afternoon, we will be having a Q&A session for the Maintenance Department! If you'd like to ask any questions about the building, your room, or just want to get to know us, we hope to see you there.
