

LEGACY COURT NEWSLETTER

APRIL
2025

Updates

Spring Weather

As the weather warms up, we like to get outside! Please make sure your loved one has a light jacket for these programs. We don't want them to miss out. (As a friendly reminder, it is always helpful to label clothing- even with initials).

Grooming

We want our residents looking and feeling their very best. Please provide a razor (men and women) so we can assist in grooming cares.

Outings

Currently, we do not have any outings specifically planned for Memory Care residents. Please let Angela in Community Life know if you would like your loved one to join a general community outing.

Community Updates

Please refer to Round Lake's Newsletter for general Community information.

Dementia Education

"I've learned that people will forget what you said, people will forget what you did, but people will never forget how you made them feel."
