## Friendly Updates

### Customer Service Rounds

Round Lake staff round throughout their shifts to keep eyes on every resident living in Legacy Court. These rounds are not completed on a set schedule.

### Community Life Staffing

Our goal is to have a Community Life staff member dedicated to engage with your loved ones on a daily basis. Currently, Netta is on maternity leave; Ayah is filling in for her. We are actively hiring for the full-time CL Assistant position. When needed, Angela leads programming for AL/IL and MC to the best of her ability. Times may differ from the calendar but know that we are doing our best to support your loved ones leisure needs.

### Alzheimer's Association

Check out this organization! They have great resources for family caregivers. We will be offering classes taught by them soon. Dates TBD.

### Community Updates

Please refer to Round Lake's Newsletter for general Community information.
