Administration

June is busting out all over!!!! The air is warm, the grass is green, and the flowers are in full bloom! I'm so excited to spend my first summer with Round Lake.

I want to give a warm welcome to our new Marketing Director, Sergio! His bio is on page 2. We also have many new staff members in clinical and culinary. We have five new residents that are scheduled for a move-in this month. So please, when you see a new face let's all give a nice "Round Lake" welcome.

I also want to wish all our Dad's out there a very Happy Father's Day!

Paula Hanson, Executive Director

Maintenance

Summer is upon us. If you have not already attempted to turn on your Air Conditioner please turn it on to make sure it is cooling before our we really heat up for the summer. If you experience any issues please contact the front desk to set up a Work Order. We want to ensure your comfort during the hot months, and this will help with that.
Our residents have assisted with planting flowers around the community. While watering plants over the summer, please make sure to wrap up hoses and turn off the water when complete. Thanks for all the help!

Marketing

Total Apartments Rented: 106 apartments Total Resident Census: 113 residents

Sergio Marquina is an experienced marketing professional with 3 years in the senior living industry. Currently, at Round Lake Senior Living, where he specializes in creating impactful marketing strategies to connect families with the right care solutions. Passionate about enhancing the lives of seniors, with a focus on driving awareness, building strong community relationships, and ensuring residents and their families have the resources they need. In his free time, he loves to spend time outdoors camping and going on hikes with his girlfriend, and 3-year-old German Shepherd, Azula!

We are still working on filling our building and welcoming a handful of new neighbors in the coming weeks. We have a couple of studios and 1 bedrooms available in Independent living and Assisted living. We just opened the Care Suites neighborhood for those who would benefit from a more intimate setting. Please continue to refer your friends and families as openings are changing.

Front Desk

We now have a standardized nursing form if you or your loved one will be out of the building. Please see the front desk to pick up and return the form. This tool will help nursing have medication prepared, residents ready, etc.

Business Office

I want to thank everyone who joined us for the last Grilling event in May. Please keep an eye out for the next event in June, and make sure to bring a neighbor if you haven't seen them at one of these events. It is always so much fun chatting with everyone at these events. And it's a great time to get to know new people!

We continue to make ACH payments available to you. If you are interested in this, please stop by the front desk for a form. Make sure once the form is completed that this form goes into the payment box so that I can secure that information. Using the ACH payments gives you the ability to receive your statement and know that this will be paid on the 2nd of the month without any extra effort on your part. If you have questions on this, please contact myself or the front desk.

We are now offering statements via email. If this is an option you would like added to your account please let me know via email. patrick.winsor@lifesparksl.com
