Business Office

We continue to offer different options for receiving your statements, and ways to pay them. Please see the flyer for details. If you have any questions, please contact Pat Winsor or Janessa James. Some residents may have concerns about financial resources becoming limited. If you have questions on resources to help with this please let Pat Winsor know. I can provide you with a starter pack to help guide you through questions you may have.

On a personal note, I have been able to get out and enjoy a few rounds of golf in between the days of rain. Here is a recent picture of myself and my golfing buddy!

Anaysha has been promoted. We are excited for her to move into the Director of Health Services position within Lifespark. She will no longer be at Round Lake starting the beginning of July.

We have hired an additional LPN. His name is Kyle. Say hi if you see him!

Community Life

We will be participating in The Walk to End Alzheimer's on September 27th. As a Lifespark company, we are raising money to go toward ongoing research for the Alzheimer's Association. Our goal at Round Lake is to raise \$1000 as a community before the Walk. Please consider donating by writing a check, giving cash, or giving online. See Angela for more details.
