- Prior to Covid 19 I was a restaurant chef, working primarily in downtown Minneapolis specializing in steakhouse, contemporary and fusion cuisine
- Some of the more notable places I've worked is Butcher and the Boar (Steak house) 4Bells ( Seafood, low Country) and Cafe Lurcat ( classical French Bistro)
- I've started working with seniors at the beginning of the covid 19 Pandemic. when All restaurants' shut down and I discovered a passion serving seniors.

Happy August Round Lake Residents and Families. I hope everybody is enjoying the warm weather and staying hydrated! I wanted to take some time again to review the use of Emergency Pendants. A reminder that the pendants provided by Round Lake are designed for emergencies. This also includes calling the front desk for additional services. We are happy to assist, but we want to ensure that if we are completing unscheduled services, you are aware that there may be additional charges. Please take a moment to read and reach out to Nursing if we need to add or adjust your current services to avoid any incidental charges. Calling staff for unscheduled services greater than 6 times in a week via emergency pendant, phone, email, or another way can result in the need for adding the enhanced care service level. To avoid needing this, please let nursing know if we can schedule additional services for you. Thank you.
